

SERGEY MISHCHENKO

Aspiring Machine Learning Engineer

PROFILE

I am a motivated student with a strong background in Python programming and mathematics.

I am interested in applying machine learning and deep learning techniques to solve real-world business problems.

Currently, I am improving my knowledge of linear algebra, statistics, and Python.

PROJECTS

HORSE VS HUMAN IMAGE CLASSIFICATION (DEEP LEARNING).

ANALYTICAL VISUALIZATION PROJECT (PYTHON, PANDAS, MATPLOTLIB).

EDUCATION

University

National Research University Higher School of Economics (HSE) - Data Science and Business Analytics(DSBA)

Relevant coursework: Linear Algebra, Probability Theory, Mathematical Analysis, Statistics, Machine Learning, Algorithms and Data Structures, Data Visualization.

SKILLS

- Programming: Python (Numpy, pandas, matplotlib)
- Math & ML: Linear Algebra, Statistics, Probability Theory
- Tools: Jupyter, Google Colab
- Languages: English (for reading technical articles), Russian (native)
